

Super-Catchment Area (SCA) Staffing Table 2010

AVFC recommends a staffing number per 50,000 population as follows: two Consultant Psychiatrists ; two Clinical Psychologists; two Social Workers; two to three Occupational Therapists and six to eight Community Mental Health Nurses. The figures on this table are based on the staffing numbers reported by each SCA.

Catchment Area	Population	Consultant Psychiatrist Actual	AVFC	Clinical Psychology Actual	AVFC	Social Work Actual	AVFC	Occupational Therapy Actual	AVFC	Community Psychiatric Nurse Actual	AVFC	Total staff	As % of AVFC recommendation
Dun Laoghaire, Wicklow, Dublin South East	372,107	13.5	16	8.6	16	10	16	3	16-24	21	48-64	56.1	50.0%
